Preparation for Jobs

Through an internship students can gain practical experience, enhance employment marketability, apply concepts, techniques, and theories covered in classes, and have opportunities for networking contacts and mentoring relationships.

Internships are required of those students in the Hospitality Management major

The Department Advising and Career Development Center offers the following resources

- Individual advising and career services
- Assistance with resume writing and job searches
- Career/Internship Resource Center
 - Computers for internship research
 - Career-related books
 - Previous Internship Supervisor Contact Information

Internship Features

- Students take a concurrent course that provides monitoring of the work experience and assignments to further develop workplace skills
- Choice of Part-time or Full-time Internship Experiences

Typical Internship Sites

- Hotels
- Restaurants
- Event Planning Companies
- Theme Parks
- Recreation
