

**Master's in Family and Consumer Science Education with an Ohio teacher license in Workforce Development and Education, ED PAES**  
**One-year\* Full-time M.A. program (pre-requisite courses below)**

If you have already earned a Bachelor's degree from Ohio State or other four-year accredited college or university in another major you may be interested in a Master's degree that includes an Ohio Family and Consumer Science teacher license. The M.A. in Workforce Development and Education, with the Family and Consumer Science Education track may be of interest to you. Please notice the pre-requisite courses to this program below which are generally undergraduate level courses. You may wish to take the undergraduate pre-requisite courses before you apply and accept admission to the OSU graduate program.
