

## **Gladden Community House**

**Contact Person:** Mardi Siriaco

**Phone:** 227-1614

**Address:** 183 Hawkes Ave, Columbus, OH 43223

**Description of Agency:** Gladden's goal is to restore, maintain and/or develop problem-solving processes for individuals and families. These goals are met through three programs: social services, social development, and neighborhood services.

**Student Responsibilities:** This agency provides the opportunity for both direct and indirect helping experiences. Students should have an understanding of how to use helping skills and the ability to work independently. Responsibilities vary depending on the program in which the student works, but most students will have the opportunity to learn how to evaluate, plan, and implement services for individuals and/or families. In the past, students primarily have dealt with individuals and families who are in acute financial crisis and need short term help.

**Number of Students:** 2

**Times Available:** Monday-Thursday; late p.m. or Monday-Friday; a.m.

**Special Requirements:** Three quarter commitment is possible. A car is needed for access to this agency.
