

## **LifeCare Alliance**

**Contact person:** John Gregory

**Phone:** 614-278-3130

**Email:** [jgregory@lifecarealliance.org](mailto:jgregory@lifecarealliance.org)

**Address:** 1699 W. Mound St., Columbus, Ohio 43223

**Agency Description & Student Responsibilities:** Offers a diverse array of hands-on opportunities and projects for students to work on. Projects with LifeCare Alliance are always being initiated, researched and followed up on in order to provide effective and needed services for the elderly in Columbus. Just a few examples of programs being worked on include work in senior community centers, adult immunization & vaccination initiatives, health screenings & health education, and the Senior Farmer's Market Nutrition Program (or SFMNP, which allows low-income seniors in Central Ohio to obtain produce from local farmers). Students may have opportunity to work in settings with direct client contact, connecting people with resources, the research and implementation of projects & initiatives, as well as specialized projects. Student responsibility will depend on student's areas of interest and desire for their working experience. Student will be assigned a supervisor and a project after talking with above listed contact person about opportunities and desires for their Fieldwork experience within this agency.

**Number of Students:** Flexible, they also take Social Work students so it depends on how many students apply.

**Time Availability:** Mon-Fri 8am-5pm
