Information for scheduling: You should schedule no more than two or three other courses during the quarters that you schedule HDFS 589.01 and HDFS 589.02. If you have the choice, schedule your courses early in the morning, late afternoon or evening, in order to provide the maximum flexibility for assignments to agencies. You will be receiving 5 credit hours per quarter of enrollment for a total of 10 credits for both quarters. You will be required to work 12 hours at your assigned agency and will arrange your particular schedule with your agency supervisor. In addition, you will attend a weekly seminar on campus. You will receive an email from Dr. Folden prior to starting HDFS 589.01. The mail will notify you of your assigned agency. An orientation meeting will also be held between the 7th and 10th week of the quarter prior to beginning your enrollment.
