Description of Agency: This center serves as a drop-in recreation facility for people over 55 years of age. The focus is on providing an atmosphere where they can meet new friends and continue to learn. In the spring, students may be able to work in a program combining seniors with elementary school children.

Student Responsibilities: Students design and implement programs for a living group of senior citizen.

Number of Students: 1

Times Available: 9am-4pm Monday-Friday

Special Concerns: A car is needed. Also, Upper Arlington Senior Center loves having OSU students placed with them, but due to high demand they ask out of courtesy that we let our students know that placements are usually, but not always, open.
