Series*

Topic: Preparing
Doctoral Students
for Life in Academia

Lunch Provided

*12:00-1:30
Rm 136 Ramseyer**

- How do we prepare students for university jobs?
- What sorts of courses should these students take?
- What strategies can we share with students to improve their likelihood of success?
- What non-class requirements (if any) should we have for these students?
- How did you prepare for the process, and is there anything that we can learn from your experiences to pass along to the students?
