

 **Announcing  
The PAES Instructional  
Enhancement Award**

**The PAES Instructional Enhancement Committee is pleased to announce the Second Annual PAES Instructional Enhancement Award**

**To be given to PAES faculty members who have demonstrated a collaborative effort in instruction.**

**Collaborative groups can be section areas, program areas, or any group of two or more faculty who have worked together to achieve some aspect of instruction.**

**The winners of the award will receive 1200 to further enhance their instructional plans.**

To be considered for the award, the following information must be submitted to:  
Dr. Darcy Haag Granello by APRIL 12, 2004:

A 3-5 page summary of the project, including:

- Overview and description of the project
- Goals
- How the project meets one or more components of the academic plan
- Evaluation of the project
- Plan or ideas for how the money will be spent
- Appendices that include student projects, samples of activities, and other supporting documents may be attached.

The award committee will be comprised of the *Instructional Enhancement Committee* (one faculty member from each section).

**The award winners will be asked to highlight their project at the spring Instructional Enhancement Workshop on April 30, 2004.**

**Resubmissions are encouraged.**
