The Honors Contract is a program of study developed in consultation with your academic advisor that demonstrates academic rigor and compliance with the criteria to maintain honors status. Please attach a copy of your Degree Audit to this contract, which can be found at www.buckeyelink.osu.edu.

On this page, list the honors courses you have completed and honors courses you will complete. On the following pages, list the course work you have already completed beginning with your freshman year and the courses you propose to complete as a member of the COE Honors Program. You may attach an advising transcript to document previous coursework.
