

Honors Course Enrichment Application

PRESSEY HONORS ENDOWMENT

University Honors & Scholars Center

The University Honors & Scholars Center makes grants of *up to \$500.00* available to instructors to enrich their honors courses by providing additional materials, films, extra-classroom excursions, or other such appropriate course enrichment. (Costs of entertaining your students at your home or at a local restaurant are costs we are happy to support when they are a part of your work with these students in an honors course.) Interested faculty should complete this form and submit it to Peggy Smith, University Honors & Scholars Center, 220 West 12th Avenue.

Applications for funds can be made at any time, but it will help us help you if they are made by the end of the second week of the quarter in which you are teaching the course for which you are requesting Pressey funds. Earlier requests are always welcome!

Award decisions will be made as quickly as possible, but never later than two weeks after receipt of requests at the University Honors & Scholars Center. The grant may be used either the quarter it is awarded or in a subsequent quarter.
