

My Plan to Achieve Success

I want a Program of Study for career success!

Name _____

Special points of interest:

Contextual Factors: People, conditions, situations, cultural traditions and norms

Values: Aesthetic, Economic, Health, Safety, Environmental, Intellectual, Legal, Prudential, Moral/ethical, Ideological: Political, Religious

Ethical Questions:
 Who is affected and involved by these actions? Who is adversely affected? Would I/you want to be the person adversely affected? How will this affect others? Now? Future? Whose interests are being served? What would be consequences if everyone did this?

Types of Action:
 * Technical action
 * Communicative or Interpretative action
 * Emancipatory, ethical action that frees people from harm and injustice.

Reasoning to Solve the problem...

Recognize problem and context

Evaluate and Collect Information

Analyze Choices and Consequences

Select the BEST choice with good reason

Outline and Implement a plan for action

Note the results of your actions

What can I do to assure career success? My REASON process ...
