RESIDENT EDUCATOR LICENSE RENEWAL UPDATE

The Resident Educator license is able to be renewed indefinitely, until one begins teaching. This will accommodate students that enter the military, move to another state, or do not go directly into teaching. It should be noted that if laws or program requirements change, then getting recommended may take additional coursework. Therefore, it is in a student's best interest to apply for a license or endorsement upon completion of a program.

DEBUNKING THE MYTHS OF WORKING IN CCS

The EHE's Office of Career Services recently held an on-campus panel discussion with several Columbus City School (CCS) employees and EHE students. The panel consisted of two principals, a recent OSU education licensure graduate working in CCS, a veteran teacher, a Human Resource specialist, and members of CCS's Professional Learning and Licensure office. Over 70 students attended, asking questions about services CCS provides, areas of concentration in which CCS is likely to hire, diversity of teachers, opportunities for team teaching, and questions about grade levels and licensure. Due to its success, this event will be offered again. Future workshops for students and alumni (others are welcome as well!):

- OTES/OPES/Value Added: What it all means 10/14 7 pm
- The Resident Educator Process 10/21, 7 m
- The Intervention Process (RTI), 10/28, 7 pm
- Teacher-Based Teams 11/04, 7 pm
- Teacher Hiring Process from Start to Finish 11/18, 7 pm.

As reported in the September *Ed Prep Express*, the Ohio Educator Standards Board had recommended reducing the standard error of measurement (raw score required for

Bottom line: The raw cut score is lower, but the score candidates see will remain at 220). The change is not retroactive, but will be in effect this fall.

How might you support your candidates? Send them messages! Below is an example from Nancy Cunniff Casey, from St. Bonaventure University

Tip #9: Conjunctions: Pay attention to conjunctions! If prompt says “AND” both items are required. If it says “OR”, only one is needed. If it says “AND/OR”, you have a choice.
