SUMMER 2016 SPECIAL EDITION

TRAINING for Tk20 GRAPHITE NOW AVAILABLE!

Our assessment platform, Tk20, is upgrading version 8.0 (also known as **Graphite**) to improve operational workflow and create a more user-friendly experience. Training sessions will be held in Ramseyer Hall, Room 329, from **10 AM to NOON** on:

- **Tuesday, June 7**
    and
- **Monday, June 13**

The Carmen Connect option will be available for regional campuses.

Tk20 changes include:
- Layout Changes for Intuitive Workflows
- Responsive Framework (*Graphite pages will adjust to different screen device sizes*)
- Split Screens
- Tools (*Action Buttons, Filtering & Sorting Content, Labeling for Accessibility*)
- Utility Bar (*Located at, displays your recent messages/tasks, allows you to switch roles on any page*)

 For additional information, please contact Jacob Chacko.
