MIDDLE CHILDHOOD CANDIDATES: LICENSING CHANGES COMING IN 2019

The temporary option for licensing in only one Middle Childhood content area will be closing July 1, 2019. Any student applying for a Middle Childhood license on or after

July 1, 2019, must be eligible for licensing in two content areas in order for the license to be issued.

This temporary option was established in 2013 at the beginning of the implementation of the new middle grades licensure content exams in order to provide transition time to the two content area requirement. Additionally, the middle grades exams have been realigned to the grades 4-9 content.

As a result, the option for licensing in only one middle childhood content area will sunset on June 30, 2019.

ODHE UPDATES

Reading Core Standards Under Review

The Ohio Department of Higher Education has a committee reviewing the standards for the Reading Core. The new standards may be ready as soon as January, 2018.

Highly Qualified Teacher (HQT) Update For Intervention Specialists

Previously, Intervention Specialists (IS) were required to take the two Reading subtests to be considered Highly Qualified Teachers (HQT) in Reading/Languages Arts. Now, passing scores on 090 Reading Foundations will meet this need. Not all ODE websites are up-to-date at this time.

CAEP UPDATES

CAEP Advanced Standards Update

An announcement was made from CAEP about the delayed implementation of the Advanced Standards. Because the Guidebook was just released in October, Ohio State will not be required to address the Advanced Standards in our self-study on March 9, 2018. This will allow us to focus our efforts on implementation of the standards. Advanced programs for Ohio State include school psychology, principal, superintendent, and orientation and mobility.

While endorsements are not required to meet the Advanced Standards, we are required to include OAE scores or other standardized test scores.

Questions may be directed to [Erica Brownstein](#).

Summer and Autumn 2017 Cooperating Teacher Survey

On October 25, the Cooperating Teacher Survey was sent to spring 2017 or fall 2017 student teacher mentors. Survey questions have been updated to gather feedback the student teaching process (CAEP Standard 2).

A copy of survey may be previewed [here](#) in the Ed Prep Unit Information Buckeye Box. Please encourage your mentors/cooperating teachers to complete the survey.

ARE YOU AN OSU EMPLOYEE WITH AN OHIO TEACHING LICENSE?

If you are an Ohio State employee and would like to renew your Ohio teaching license(s)/endorsements, Ohio State has an active Local Professional Development Committee (LPDC) that may help. For those with licenses due to expire on June 30, 2018, you may wish to begin the renewal process with the OSU LDPC now, by contacting [Christine Fagan](#), Licensure and Graduation Coordinator.

Also, we are seeking new LPDC members! Please contact Erica Brownstein (Brownstein.2) if you are interested in serving on this committee. For more information, see our [website page](#).

CPAST UPDATE

Programs and supervisors requested we add the Ohio Standards for the Teaching Profession back into the CPAST by row. Those changes have been made and are available in you Buckeye Box and the Unit Buckeye Box [here](#).

CANCELLATION OF PLACEMENTS

If you have a student who is no longer in a placement, email [Casey Hammond](#). In your email, please include the following information:

- A “drop placement” request (the placement spreadsheet with the placement crossed through)
- The date the student stopped attending
- The hours accumulated during this period

This information is critical for keeping up to date records and informing the districts of these changes. If you have any questions, please reach out to Casey Hammond at Hammond.474@osu.edu.
