CAEP CORNER

Alumni Survey Interview Protocols Now Available

We need your help! CAEP Standards 4.1, 4.3 and 4.4 require data and analysis of data collected from alumni. The OEP has prepared a focus group/survey template to facilitate this process. As previously discussed in the data meetings with programs this spring, please conduct surveys/focus groups with your program alumni by October 31, 2017. Further instructions and the interview protocol is available in the Buckeye Box. Please visit the links below to download the appropriate version.

PRE-CPAST TRAINING FOR SUPERVISORS

The updated version of the Pre-CPAST Training PDF can be found in the *Ed Prep: Unit Key Assessments and Forms* Buckeye Box. Please distribute this information to advanced field experience supervisors. There is no assessment required for the Pre-CPAST form.

Information about the online CPAST training for supervisors will be available at the beginning of August.

TK20 UPDATES

Key Assessment Data Reports

Updated spring and yearlong files with your 2016-17 aggregate key assessment data from Tk20 are updated to your Buckeye Box folder (see Data for Program → Tk20 Key Assessment Data folder for 2016-2017). Feel free to reach out to Jacob Chacko (chacko.7@osu.edu) with questions.

As a reminder, please upload your analysis of 2016-17 assessment data and any decisions made from it by **August 15** to your Improvements and Changes Documentation folder. There is a Data Driven Decisions Evidence Form template provided there you may use if it's helpful.

Electronic Time Logs

Are you interested in implementing electronic time logs for your program's field experiences? If so, students may create and share them with their cooperating teacher and receive an e-signature in Tk20. You can access them in the system as well.

Interested in learning more? Email Jacob Chacko at chacko.7@osu.edu.

UPDATED OAE SCORES

Autumn 2017 Student Teacher OAE Scores

Updated files with OAE scores for Autumn 2017 student teachers have been added to your program's Buckeye Box in the Data for Program> OAE Data folder. As a reminder, students must pass all of their OAE tests required for licensure in their area prior to student teaching, including the new 090 Foundations of Reading Test for Early Childhood, Middle Childhood and Special Education students.

Remember, programs may file an appeal on behalf of students who have yet to pass one test. Please complete the appeal before they begin student teaching.

However, if more than one test to take or pass is needed, students must file their own appeal paperwork with the UTEC Appeals Committee. See additional details in the Appeals Guidebook, located in your Buckeye Box. Please submit student appeals in sufficient time for the UTEC Appeals Committee to virtually meet and vote on August 19. If you support the student appeal, please note that as well.

ODHE UPDATES

Pre-Service Survey Results

Results from the 2015-16 Pre-Service Survey are in! The Pre-Service Survey is distributed to candidates during student teaching. The OSU average scores increased from 2014-15 to 2015-16 the greatest in the following areas:

- Q1: Prepared me with knowledge of research on how students learn.
- Q20: Prepared me to treat all students fairly and establish an environment that is respectful, supportive and caring.
- Q23: Collected evidence of my performance on multiple measures to monitor my progress.
- Q31: Provided field experiences that supported my development as an effective educator focused on student learning.

In contrast, OSU average scores decreased the greatest in the following areas:

- Q2: Prepared me to recognize characteristics of gifted students, students with disabilities and at-risk students in order to plan and deliver appropriate instruction.
- Q21: Prepared me to use technology to enhance teaching and student learning.
- Q30: Provided knowledge about the Value-Added growth measure.
- Q37: Provided opportunities to understand students' diverse cultures, languages and experiences.

Results are disaggregated by program and level, so please take a few minutes to review them in your Buckeye Box.

Program-specific data are included on the annual Performance Report and shared publicly for programs with sample sizes of ten or greater. Results from 2016-17 will be shared once we receive them next spring.

FREQUENTLY ASKED QUESTIONS ABOUT THE VOUCHER PROGRAM

New Tk20 student accounts and OAE vouchers have been distributed to students who paid their first and second Ed Prep Voucher Fee in Summer 2017. Students impacted by the voucher distribution were emailed access information.

Faculty and staff questions should be directed to Kathleen Lynch. Students should check their Bursar bill first. If they do have an Ed Prep Voucher fee listed, they should email edprep@osu.edu.

Thank you for informing us about your new admits and student teachers for autumn 2017! This information helps us to properly order vouchers.
