Ohio Educator Licensure Examination Pass Rates at Ohio State University

Reporting Period from Sept 1, 2019 to Aug 31, 2020
(Data Source: USDOE Title II Report)

Description of Data:

Ohio educator licensure requirements include passage of all requisite licensure examinations at the state determined cut score. The reported results reflect Title II data, and therefore represent pass rate data solely only initial licenses. Further, because the data are gathered from the Title II reports, there is a one-year lag in accessing the data. Teacher licensure pass rate data are the only reported metric for which the data do not reflect the reporting year 2020-2021.

As of 2013, the Ohio Assessments for Educators replaced the Praxis subject assessments for initial licensure. Some Praxis II assessments are still being reported because recent program completers took those tests in or before 2013.

Pre-Service Teacher Survey Results

Reporting Period from Sept 1, 2020 to Aug 31, 2021

Description of Data:

Due to the COVID-19 pandemic-related issues, including school closures and staff transitions in Ohio during the 2019-2020 school year, the distributions of some surveys were delayed, contributing to lower response rates.

To gather information on student satisfaction with the quality of preparation provided by their educator preparation programs, the Ohio Department of Higher Education administers a survey aligned with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. All Ohio candidates receive an invitation to complete the survey during their professional internship (student teaching). The results of this survey are reflected here.
