Coordinator. Heather has been part of the College of Education and Human Ecology for over eight years and has recently served as an Academic Advising Manager in the Office of Academic Affairs. She earned her M.S.Ed. in College Student Personnel from the University of Dayton and her B.S. from Ohio State. Heather is expecting the arrival of her second baby this month and will fully onboard in January when she returns.

Inspire Magazine Highlights the Teacher Shortage

Getting teachers into the classroom and keeping them there is the focus of the new Inspire article. Read how a recent alumna, Mary Hippler, has adapted and how EHE plans to address these challenges. View the full article [here](#).

AU22 OSU Cooperating Teacher and Opportunities in Student Teaching Surveys

Survey links were sent to student teachers and mentors on Oct. 1. The surveys will close on Nov. 30 and survey reminders with links will go out to non-responders. Survey links and reminders will come from edprep@osu.edu.

Please let your cooperating and student teachers know to look out for this and encourage them to complete these surveys (and the ODHE survey). Our goal is to reach at least an 80% response rate by program. Programs will start receiving their response rates later this month.

ODHE Pre-Service Teacher Survey

The ODHE survey will be sent to students on or around Oct. 13 with a reminder sent on or around Nov. 12. The survey will close Nov. 30. Please prompt your AU22 Student Teachers to look out for and participate in the survey.

Fall 2022 UTEC Program/Faculty Leads Subcommittee Materials

Thank you to everyone who attended the UTEC Initial and Advanced Program/Faculty Leads Subcommittee meetings this semester. We appreciated the discussions on important topics including but not limited to our 2022-23 goals, value-added student performance, Ohio Teacher Evaluation System data (initial only), and employment data of our recent graduates.

If you could not attend and are interested in reviewing the meeting materials and minutes/recordings, they can be found in the *APL- Unit Information* folders here:
