Placement

Ed Prep Voucher Program Changes

The voucher program is undergoing changes in the 2022-23 year, shifting to a one-time, **\$95 fee for the incoming graduate and undergraduate cohorts**. This amount will only cover the Tk20 student account; therefore, all OAE tests should be paid for out of pocket.

~~Currently enrolled students from previous cohorts are included in the~~
original fee structure. They will continue to receive one OAE voucher and the \$300 reimbursement for their unused edTPA voucher. The transition is currently in progress as the fee schedule is being finalized. More details will be shared as soon as possible. In the meantime, please have students email edprep@osu.edu with pressing personal questions.

Licensure

Please remind your students to review the [Licensure Application Guide](#) and [step-by-step video](#) before they apply for their teaching licenses.
