# Accreditation, Placement and Licensure News

---

Distributed to program managers and faculty leads by the Office of Accreditation, Placement and Licensure.

## Accreditation

### **Four Advanced Programs attain CAEP Accreditation**

This May, four advanced programs became fully accredited by the Council for the Accreditation of Educator Preparation (CAEP) – the Orientation & Mobility, Principal, School Psychology: EdS, and Superintendent licensure tracks. APL staff appreciates the effort and time spent collaborating with each program team to prepare plans, data, and narratives to highlight their high-quality work. Their CAEP accreditation is effective through Fall 2026.

## Placement

### APL App Login Appearance has Changed

Please be aware that the login page for the APL Application has changed its appearance because of updated features. Please use the Ohio State Employee Login on the left, which will take you to the Application Suite as usual.

### Ed Prep Voucher Program Changes

The voucher program is undergoing changes in the 2022-23 year. It is shifting to a one-time, \$95 fee for the **incoming graduate and undergraduate cohorts**. The voucher will cover the Tk20 student account. All OAE tests should be paid for out of pocket. **The new fee amount will take effect in Autumn 2022; therefore, Summer 2022 charges remain under the previous structure.**

How it will impact current students with Summer 2022 charges:

- **Incoming M.Ed. students** will receive a \$40 refund
- **Current undergraduate students** who got their **first fee** will receive a \$33.50 refund

The original fee structure includes enrolled students from previous cohorts. They will continue to receive one OAE voucher and the \$300 reimbursement for their unused edTPA voucher.

ensure refunds are received as quickly as possible. Otherwise, physical refund checks will be mailed to their listed address. Please have students email [edprep@osu.edu](mailto:edprep@osu.edu) with pressing personal questions.

- **Newly admitted undergraduate students** who will begin their program in Autumn 2022 will be assessed using the new fee structure and will not require refunds.

Thank you for your patience as these new processes are being initiated.

## Licensure

### OAE Costs

Ohio Assessments for Educators (OAE) prices will increase from \$105/assessment (\$56/subtest) to \$109/assessment (\$59/subtest) beginning approximately September 1, 2022. Coupled with these price updates are several new and enhanced services that will be offered and available on the [OAE website](#), including the implementation of a new test fee waiver program for those with financial needs. If students are using a previously assigned OAE voucher to purchase a test (\$105 value), they must cover the additional cost out-of-pocket.

### Online Proctoring for OAE expansion

[Subscribe](#)[Past Issues](#)[Translate ▼](#)[RSS](#)

Educators (OAE) Program team announced the continued expansion of online proctoring for OAE assessments. Online proctoring allows educator candidates to take their assessments securely from home, school, or business. Candidates should be encouraged to review the equipment requirements and “[Take the System Test](#)” to confirm they have the right testing environment before registering.

The “[About Online Proctoring](#)” page provides information concerning registration, online proctoring testing requirements, and policies.

## Upcoming events

### June 1

- Verify SP22 key and unit assessment data
- Submit enrollment verification for the 2021-22 academic year in [APL Application](#)

### August 1

Submit program-specific data-driven decision-making notes from AY 21-22 to OneDrive (see your program’s
