# Accreditation, Placement and Licensure News

---

Distributed to program managers and faculty leads by the Office of Accreditation,  
Placement and Licensure.

## Placements

### **APL Application Compliance Status Updates**

The PEV App now reflects the 23-24 compliance data for upcoming AU23-SU24

placements. In addition, the following updates have been made in the application to include the new *Computer Science and Computational Thinking* (CSCT) course requirement.

- The **Compliance Status report** now includes the CSCT course.
  - Available in the PEV App while in a program – export provides the current academic year compliance status for all students on the ‘Current’ tab in the program.
- **Compliance Pop-Up**
  - Available in the PEV App while in a program and click on a Student ID
  - Updated the bottom section to include the *CSCT course and the Opioid Module* Completion
    - Previously only showed the completion status of the Ohio Standards course
  - The section was re-named ‘Online Courses and Module’
  - The section now shows the completion status of
    - Ohio Standard
    - CSCT
    - Opioid module
- Viewing **Student Compliance and OAE Information guide**
  - Available in the PEV App in the Guides section and includes the updated information mentioned above.

## Licensure

### **OAE Accommodations Policy Update**

Ohio Assessment for Educators policy on accommodations has been updated. Approved OAE accommodations will remain valid for one year. Students will not need to reapply for accommodation during that year as they did previously.

### **Sunsetting Procedures for OAEs 018/019: Primary and 013: Primary Intervention Specialist**

#### **Primary (PK-5) Licensure:**

- All educator candidates who successfully pass both the 018 and 019 Elementary Education examinations prior to July 24, 2023: These passing scores will be valid and continue to meet the content knowledge assessment requirement for initial licensure of Primary (PK-5) candidates through July 1, 2028;
- All educator candidates who successfully passed one of the 018 or 019 Elementary Education examinations prior to July 24, 2023, and successfully passed both the 018 and 019 Elementary Education examinations prior to December 31, 2023: These passing scores will be valid and continue to meet the content knowledge assessment requirement for initial licensure of Primary (PK-5) candidates through July 1, 2028;
- All other candidates will be expected to take and pass the 055 Primary Education (PK-5) Examination which becomes available July 24, 2023.

**Primary (PK-5) Intervention Specialist Licensure:**

- All educator candidates who successfully pass the 013 Early Childhood Special Education examination prior to July 24, 2023: These passing scores will be valid and continue to meet the content knowledge assessment requirement for initial licensure of Primary (PK-5) Intervention Specialist candidates through July 1, 2028;
- All other candidates will be expected to take and pass the 058 Primary Special Education (PK-5) Examination which becomes available July 24, 2023.

ODE sunseting dates for the 003 APK: Early Childhood P-3 exam have yet to be provided; however, APL recommends applicable P-5 programs transition to the new 057 APK: Primary P-5 exam as soon as possible.
