Accreditation, Placement and Licensure News

Distributed to program managers and faculty leads by the Office of Accreditation, Placement and Licensure.

Field Placement Supervisors

Supervisor confirmation files are now available in BuckeyeBox for updates. APL must have all supervisor assignments for **Spring** semester by **December 15**.

DID YOU KNOW... APL uses this information to make sure assessments are sent to the proper evaluators and they receive access to required trainings?

Required CPAST Training

Supervisors:

As a reminder, all spring student teaching supervisors are required to complete an online CPAST training annually in Carmen before they conduct

their midterm 3-way conferences, no later than **February 1**. If you reported your supervisors to APL, they have been added to the proper course: the Initial training (approx. 90 minutes) for new supervisors and the Refresher training (approx. 30 minutes) for returning supervisors. A passing score of 80% is required. Please email edprep@osu.edu if supervisors are not seeing the appropriate course.

Cooperating Teachers:

It is the responsibility of the programs to train cooperating teachers on the use of the CPAST. There is a PowerPoint in [Box](#) that you are welcome to use if you feel that it would be beneficial for your CTs. If they would like a more in-depth training, please contact edprep@osu.edu and we would be happy to share a link to a more in-depth training.

edTPA Unit Wide Information

Unit wide information regarding edTPA can now be found [here](#). You will find resources for CTs and Admins; Resources for Faculty and Staff; Consent Forms; and Attestations. Student level resources (i.e. handbook, templates, etc.) can be found in your program specific folder.

edTPA Scoring

Pearson is currently seeking experienced Higher Education teacher educators to evaluate edTPA for the 2020 Spring Administration. For more information on how to become an edTPA Scorer, please visit their [website](#).

Tk20 Data Submission Deadline

As a reminder, all Autumn 2019 assessment data must be entered in Tk20 no later than **Thursday, December 19**. This data includes Pre-CPAST, Pre-CPAST observation notes, CPAST midterm and final, CPAST operations and program-specific SPA assessments.

Spring 2020 Admission Decisions

As a reminder, Spring 2020 admission decisions for licensure programs in Tk20 were due by **December 1**. Please make sure the appropriate Final Result is reflected for each application in the queue (i.e. no blank or In Progress statuses). For newly admitted students, please work with advisors to ensure their SIS coding is also updated as soon as possible to ensure the Ed Prep Voucher fee is applied to their bills in a timely fashion.

Program Updates Meeting

Please see [BuckeyeBox](#) for items discussed during the December program updates meeting.

Happy Holidays

Thanks for a great semester! The Office of Accreditation, Placement and Licensure wishes you Happy Holidays!
