The Physical Activity Specialist minor consists of a minimum of 18 semester hours and is designed to equip students with essential skills to work with preschoolers, children, and youth in physical activity settings. You must take the required courses listed below; no variations in the programs are allowed.

After an advisor in the College of Education and Human Ecology Office of Undergraduate Student Services has approved the Minor Program Form, you must file the form with your college.

Students preparing for a career as a physical activity specialist are strongly encouraged to obtain CPR and First Aid Certification.
