Description of Data:
Ohio requires that teacher candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as "student teaching." The specific requirements for these placements vary by unit and by program.

Ohio Educator Licensure Examination Pass Rates at Ohio State University
Reporting Period from Sept 1, 2016 to Aug 31, 2017
(Data Source: USDOE Title II Report)

Description of Data:
Ohio educator licensure requirements include passage of all requisite licensure examinations at the state
determined cut score. The reported results reflect Title II data, and therefore represent pass rate data solely
only initial licenses. Further, because the data are gathered from the Title II reports, there is a one year lag in
accessing the data. Teacher licensure pass rate data are the only reported metric for which the data do not
reflect the reporting year 2017-2018. As of 2013, the Ohio Assessments for Educators replaced the Praxis
subject assessments for initial licensure. Some Praxis II assessments are still being reported because recent
program completers took those tests in or before 2013.

## Graduate Program Admission Requirements

EPP graduate requirements are 1) application with letter of recommendation, GPA, and disposition form (BCII/FBI checks and fingerprinting) and 2) coursework. All applications are screened using unit and program rubrics/criteria. Applicants include a piece of writing with criteria established by each program/campus. Some programs interview and/or require content-specific GPA, portfolios or specific grades in courses. SAT, ACT and GRE scores may be considered.

### Description of Data:
The data in this section are the average scores of candidates on academic measures reported by the provider. If a measure is not applicable to a level of delivery (undergraduate, post-baccalaureate, graduate) the table reflects "N/A". In the "Dispositional Assessments and Other Measures" portion, if the provider did not indicate using a measure, OR if the institution does not offer a program at the designated level of delivery, the table reflects "N".
