Field and Clinical Experiences for Ohio State University Candidates
Reporting period for 9/1/2012 through 8/31/2013
(Data Source: Ohio State University)

Description of Data:
Ohio requires that teacher candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as "student teaching." The specific requirements for these placements vary by unit and by program. The information below is calculated based on data reported at the unit level.

### Description of Data:
Reporting period for 9/1/2012 through 8/31/2013

To gather information on student satisfaction with the quality of preparation provided by their educator preparation programs, the Ohio Board of Regents and a committee of representatives from Ohio educator preparation programs collaborated to develop a survey of Ohio's pre-service teachers. Questions on the survey align with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. The Ohio Board of Regents distributed the online survey to candidates completing their student teaching experiences. A total of 3570 respondents completed the survey statewide for a response rate of 81 Percent.
